

“Microbial Agents for Biofertilizer, Biostimulant & Biocontrol for Sustainable Agriculture”

On Monday, June 3, 2019, Time 08:30-16:00 Hours
@Room CC405, 4th Floor,
Thailand Science Park Convention Centre
Pathum Thani, Thailand

Speakers:

Screening of biofertilizer, biostimulant & biocontrol agent I (Fungi)

Dr. Alongkorn Amnuaykanjanasin, BIOTEC

Screening of biofertilizer, biostimulant & biocontrol agent II (Bacteria)

Dr. Bungonsiri Intra, Mahidol University

Production & formulation of microbial products

Professor Chienyan Hsieh,

National Kaohsiung Normal University

A case study of biocontrol application

Dr. Lawan Kladsuwan,

Mitr Phol Sugarcane Research Center Co., Ltd.

Implementation challenges in agricultural practice

Dr. Norman Chwang, Shrimp Mart Thai Co. Ltd.

Biosafety & regulatory framework for field application of microbial agents

Dr. Chalinee Kongsawat, BIOTEC

Registration Fee: THB1,000

*****Deadline: May 20, 2019*****
