

AFOB Workshop

“Microbial Agents for Biofertilizer, Biostimulant and Biocontrol for Sustainable Agriculture”

June 3, 2019, Time 08:30-16:00 Hours

@ Virgo Room, 3rd Floor, Miracle Grand Convention Hotel

Bangkok, THAILAND

Program:

08:30-08:50

Registration

08:50- 09:00

Introduction of Thailand Regional Branch Office

Associate Professor Dr. Penjit Srinophakun

AFOB & TSB Vice President & Associate Professor at Kasetsart University

Opening remarks

Dr. Wen-Chien Lee

AFOB President &

Professor at National Chung Cheng University, Taiwan

09:00-09:30

Screening of biofertilizer, biostimulant and biocontrol agent I (Fungi)

Dr. Alongkorn Amnuaykanjanasin, BIOTEC

09:30-10:00

Screening of biofertilizer, biostimulant and biocontrol agent II (Bacteria)

Dr. Bungonsiri Intra, Mahidol University

10:00-10:30

Networking & Refreshment

10:30-11:30

Production and formulation of microbial products

Professor Chienyan Hsieh, Department of Biotechnology,

National Kaohsiung Normal University

11:30-12:00

A case study of biocontrol application

Dr Lawan Kladsuwan,

Mitr Phol Sugarcane Research Center Co., Ltd.

12:00-13:00

Luncheon

13:00-13:45

Implementation challenges in agricultural practice

Dr. Norman Chwang, Shrimp Mart Thai Co., Ltd.

13:45-14:30

Biosafety and regulatory framework for field application of microbial agents

Dr. Chalinee Kongsawat, BIOTEC

14:30-15:00

Networking & Refreshment

15:00-15:50

Panel discussion on “The future of microbial products for agriculture and their regulatory issues”

Panelists:

1. Representative of university researcher
2. Representative from Department of Agriculture
3. Representative from Department of Medical Sciences
4. Representative from Ministry of Natural Resources and Environment
5. Representative of industry

Moderator: Associate Professor Dr. Penjit Srinophakun

AFOB & TSB Vice President &

Associate Professor at Kasetsart University

15:50-16:00

Closing remarks
