

Biotechnology International Congress

5th BIC 2017

“Bio-Agriculture & Bio-Refinery”

6-8 September 2017

Conference room 2 (EH 101-102), BITEC, Bangkok

In-conjunction with

3rd Engineering Energy Alliance Forum (3rd EEAF),
7-8 September 2017

Invited Speakers:

Professor Dr. Guoqing Guan, Hirosaki University, Japan

Professor Dr. Mingyue Ding, Wuhan University, P.R.China

Conference Session:

- Agricultural and Food Biotechnology
- Applied Microbiology
- Biopharmaceutical and Medical Biotechnology
- Biocatalysis and Biotransformation
- Bioprocess Engineering, Bioseparation and Purification
- Bioenergy, Biorefinery and Environmental Biotechnology
- Molecular Biotechnology and Nanobiotechnology
- Tissue Engineering and Biomaterials
- Other related areas

Registration now

at www.biotech.or.th/tsb

Important Date:

Deadline	Date
Abstract/Full paper submission	1 August 2017
Notification of Abstract/ Full paper acceptance	15 August 2017
Payment	20 August 2017
Final paper submission (after revision)	20 August 2017
